Was sold as a PET for the sum of \$1900 (One thousand nine hundred dollars).

The purchaser agrees to the following terms:

1. Under no circumstances will this cat be declawed.
2. The seller must be notified if the cat is to be resold or given away. The seller retains the right to have first option of readoption in the event a home can no longer be provided.
3. This cat will be kept indoors and not allowed outdoors unsupervised. If this cat is found to be neglected or mistreated, the purchaser will surrender said cat to the seller unconditionally.
4. The purchaser will provide this cat with annual checkups by a veterinarian and vaccinations as needed.
5. The seller has sold this cat in good health. The purchaser is responsible for a veterinarian health check within a reasonable amount of time to confirm that the cat is in good health (at purchaser's expense). If the purchaser believes the cat to be ill, it may be returned to the seller who will either refund the purchase price or (if desired) return the cat to the purchaser in well condition. The seller is not responsible for any expenses (veterinary or otherwise incurred by the purchaser).
6. No one can guarantee that a kitten will never get FIP (Feline Infectious Peritonitis). Breeder guarantees to replace kitten with another kitten of equal quality in the event that a kitten dies of FIP within the first (1) year of life. This diagnosis must be confirmed by a board-certified veterinarian via post mortem necropsy report.
7. If the kitten is diagnosed with FIP, Buyer promises to contact Breeder as soon as the kitten is diagnosed. There are medications that can treat FIP. If in the event the buyer cannot afford to treat the kitten, the buyer agrees to relinquish the kitten to the breeder. The buyer agrees that kitten will not be euthanized without first contacting the breeder.
8. Kitten is never to receive the FELV vaccine. Rabies vaccine is strongly discouraged.
9. Kittens are guaranteed to be Leukemia, FIV and FIP free. Any kitten that passes due to a fatal genetic defect within 2 years of purchase will be replaced. A copy of the necropsy

performed by a licensed veterinary pathologist must be given to the seller. The breeder will make every effort to replace the kitten with a kitten of the same sex/color/pattern.

10. Kittens will be altered, receive two sets of vaccines, dewormer prior to leaving.
11. The breeder reserves the right to refuse sale at any time prior to the kitten going home. If this situation arises, the breeder will determine whether the situation warrants the deposit being refunded.
